

# ADD INSULATION TO ADD ENERGY EFFICIENCY

North West REC is pleased to announce it will be offering an INSULATION REBATE PROGRAM for our member-consumers.

- 30% of the installed cost - up to \$500 maximum rebate (this is in addition to 30% tax credit available)
- Insulation professionally installed by a registered contractor—blown-in, insulating concrete forms, rigid styrofoam panels and/or structural insulated panels type insulation
- Structure must have a primary electric heating source—includes new or existing homes, ag and commercial buildings
- One rebate per structure
- Need copy of invoice and rebate form completed and returned to North West REC.
