NORTH WEST REC

Your Touchstone Energy® Cooperative

Schedule Your Home Energy Assessment

North West REC's new infrared camera can spot energy losses in your home or building. Our member services staff will walk through and snap thermal images of leaks and offer energy-saving solutions. You will receive an energy efficiency kit including various caulks, showerhead, faucet aerators, CFL bulbs and efficiency information.

Residential assessments: \$45 charged to the member's electric account. Member must be present for the walk-through.

Non-residential assessments: \$95 plus hourly charge after four hours.

Audits conducted when outside temperatures are about 50 degrees or less.

Call today to set up your energy assessment.
