Join Operation Round-Up Today!
Since its start in 1999 over \$600,000
has been given, helping thousands of
families in need right in our local area.

Operation Round-Up funds are generated through a voluntary rounding up of cooperative members' electric bills to the next nearest dollar, and dollars are used to assist worthy causes, organizations, and families right in your local area.

If you are currently not participating in Operation Round Up and would like to become a part of this worthwhile program, please call our office for information, or fill out the form available on our website. To receive an application for assistance, please call the office at 800-766-2099.
